The fund shall be constituted in the sum of such of the amounts set out in Articles 6 and 7 as are applicable to claims for which that person may be liable, together with interest thereon from the date of the occurrence giving rise to the liability until the date of the constitution of the fund. Any fund thus constituted shall be available only for the payment of claims in respect of which limitation of liability can be invoked.

4. Where the person liable or any other person establishes that he may be compelled to pay, at a later date, in whole or in part any such amount of compensation with regard to which such person would have enjoyed a right of subrogation pursuant to paragraphs 2 and 3 had the compensation been paid before the fund was distributed, the Court or other competent authority of the State where the fund has been constituted may order that a sufficient sum shall be provisionally set aside to enable such person at such later date to enforce his claim against the fund.

Article 13

Bar to other actions

1. Where a limitation fund has been constituted in accordance with Article 11, any person having made a claim against the fund shall be barred from exercising any right in respect of such a claim against any other assets of a person by or on behalf of whom the fund has been constituted.

2. After a limitation fund has been constituted in accordance with Article 11, any ship or other property, belonging to a person on behalf of whom the fund has been constituted, which has been arrested or attached within the jurisdiction of a State Party for a claim which may be raised against the fund, or any security given, may be released by order of the Court or other competent authority of such State. However, such release shall always be ordered if the limitation fund has been constituted:
