

Open day for mariners

THE Central Mercantile Marine Fund will organise a Mariners Open Day on Oct 20 at the Mariners Centre in Port Klang.

The yearly event is a platform for all active and non-active seafarers to congregate and share their experiences and knowledge.

Besides seafarers, the invitation to attend is open to all related families, shipowners, agencies and training institu-

tions that are involved in the development of Malaysian seamen.

With the theme "Welcome Onboard", this year's event will see various programmes held from 11am to 3.30pm.

These programmes include customer open day by the Transport Ministry, donation programme, traditional games as well as Hari Raya and Deepavali celebration.
