BORNEO NORTH WEST COAST

156/2025(T) – TEMPORARY REDUCTION OF VERTICAL CLEARANCE (PIER 7 – PIER 9), BATANG PALOH BRIDGE, MUKAH DIVISION

This notice is to inform that during the ongoing construction works at Batang Paloh Bridge, Mukah Division, the vertical clearance for the navigation channel (between Pier 7 and Pier 9) will be temporarily reduced to approximately 10 meters, commencing from October 2025 until September 2026, due to the external formwork suspended from the form travelers.

2. In view of the reduced clearance and for the safety of navigation through the construction area, all shipping communities, river users, and the general public are hereby advised to exercise utmost caution, extend full cooperation, and strictly comply with this directive.

3. Mariners are advised to navigate with extra caution when in the area.
